Re: *TexasLDPC Inc. v. Broadcom Inc. et al.*, C.A. No. 1:18-cv-01966-SB

Dear Judge Bibas:

Pursuant to the Court's Scheduling Order, D.I. 151, paragraph 14, the parties provide the following status update on the California action:

The California trial court proceedings remain stayed while the parties' respective appeals of the court's October 14, 2021 order granting California Defendant Kiran Gunnam's special motion to strike pursuant to the California anti-SLAPP statute, and denying Defendant Anu Yarlagadda's anti-SLAPP motion, proceed at the appellate court. Appeal briefing is underway. LSI filed its opening appeal brief on April 15, 2022. The California Defendants filed their combined opening/response brief on July 5, 2022. Briefing is still not complete. No oral argument date is set.

Sincerely,

A handwritten signature in black ink, appearing to read "Warren K. Mabey Jr.", written in a cursive style.
